## Prophetic Word - Fear Not!

By Fred Hughes

I encourage you to re-read the Prophetic Word 1/8/2020 by Fred Hughes in our last partner update. I believe we are seeing that word unfold in this present day. I know it will continue to be revealed over the next several months.

The pandemic has been a tidal wave of fear, because we do not understand that our God working through us is bigger. The part we are missing is "through us."

Christians believe our God is able! What most Christians do not understand is how He does it! God gave us the authority and ability to curse a fig tree, move a mountain, slay a giant, and calm a storm. Most Christians know how to agree with fear more than they know how to operate in faith.

The Bible says that we have the power of life and death in our tongues. When we speak what we believe in our hearts will come out of our mouths like a seed that will produce what we say! Matthew 12:34, Proverbs 4:23 and 10:11, Psalm 14:1, and Luke 6:45.

The same way Jesus spoke to the fig tree, we need to speak to the virus. We should curse it, not declare its great success to do harm like the media is doing!

Job 3:25 For the thing which I greatly feared has come upon me.

Worry is fear, not faith! Worry and fear function in the same way that faith does. Romans 4:17

This is my response to the situation we find ourselves in today. There are a few facts, a lot of fear, and some outright lies. As for me, none of this moves me! None of this should move any Christian who knows who they are in Christ.

If you are a child of God, a believer, then you have the truth. Truth always trumps facts, no pun intended!

God's Word is the Truth. It overrides facts. Facts are temporary. Today your wallet may say to you, "You are broke!" But by next week after a check or two comes in, it may say, "We are good! Let's go car shopping!"

John 10:1-6 - My sheep know my voice. No other voice will they follow.

There are two big lessons for today!

1. We can hear God's voice and know it is Him, not someone else.

2. There are other voices, and we do not want to follow them.

Build your faith in this hour. You are going to need it!

2 Corinthians 5:17 - Faith comes by hearing and .... (You can hear His voice!) hearing by the Word of God.

Your Bible is like a tuning fork; it will tune your heart to hear God's voice.

Now is the time to dig into the Word and listen to the Holy Spirit who lives in you.

Fear Not! He is with you!

Isaiah 41:10

## Building in Mexico & Philippines

by Fred Hughes:

We received great news from our friend, Pastor Ramon. The construction of Casa Rhafa Church in the mountains of Chihuahua, Mexico has begun.

The money for the building has been raised for the foundation and walls. The roof and support for the pastor and workers is still pending. Covid-19 has stopped progress in the area, so we are trying to supply beans and rice for the people and workers so that the work can continue.

Pray for the work being done to advance His kingdom. I conducted a pastors' conference with Pastor Ramon in 2019, and there are great things happening in the region!

Praise God!

We have a treasury of media available for you. Visit our collection of videos, interesting articles and podcasts. We are sure you will be blessed if you make the visit!

Download your free printable PDF file, "Crisis Survival Guide," at our website, or request your copy by mail. It is a very helpful reference we think you will enjoy.

We have been developing a new area of live-streaming and hope to have it soon.

We are also working to open a call center to receive ministry calls and help.

Tony and Calli Poole in Manila, Philippines are moving into their new, almost finished, Ministry Center. They also are affected by Covid-19 and the ability to maintain staff and classes is difficult! In all cases our God is still in control! We Rejoice!
