Everlasting Water

By Fred Hughes

In John 4:13 Jesus is talking to the woman at the well, and He tells her of “the water.” He tells her that “this water,” water from Jacob’s well will not satisfy. It is temporary. It was produced by flesh and will minister to the flesh. Jesus was telling her that “the water” was available to her. Everlasting Water!

Verse 14 - **but whoever drinks of the water that I shall give him will never thirst. But the water that I shall give him will become in him a fountain of water springing up into everlasting life.** NKJV (highlighting//Fred)

My friend, that is Good News!

The water that springs up from you is a fountain of everlasting life! God gave you “this water,” and then he made you a well from which others can also drink -- water of the Spirit, not of the flesh. Everlasting Water.

Have you ever noticed that when “this water” is made available to someone, very often a spirit of religion shows up? This woman was confronting “the water,” but she could only think and speak of “this water.” So many people miss the saving grace Christ has provided because of their religious upbringing or the traditions of men. So sad!

Jesus responded with a word of wisdom. Knowing His word was true, she responded! Always listen to the Holy Spirit prompting you to flow in the spiritual gifts he has given you. Please look at verse 21 with me. I think these are very powerful words we need to take note of for living in the Power and the Word today!

Jesus said to her, **“Woman, believe Me,”** ... Verse 23 **But the hour is coming and now is, when the true worshipers will worship the Father in spirit and truth; for the Father is seeking such to worship Him. God is Spirit, and those who worship Him must worship in spirit and truth.** The woman said to Him, “I know that the Messiah is coming (who is called Christ). When He comes, He will tell us all things.” Jesus said to her, **“I who speak to you am He.”**

True worshipers worship in Spirit (God) and in truth (Jesus). Jesus is the way, the truth and the life. John 14:6

Like the woman at the well we must drink of “the water,” if we want everlasting life. Jesus, the one who is the life, “the water,” the way and the truth is the only way you can worship the Father! John 6:44 and John 14:6b, **“no man comes to the Father except through Me.”**

If you are a believer in Jesus then you are equipped to worship the Father in the Spirit of Jesus.

The way to the Father is through the Son. The Holy Spirit will direct you to Him and empower you to be a true worshiper ... forever drinking of the everlasting water! Jesus said to her (you), **“I who speak to you am He.”**

I am so thankful I can hear His voice and worship my Father and His Son by the Holy Spirit. John 10:27

As we enter the summer season, I pray that the Holy Spirit will lead you to a woman at the well, empower you to give her/him a life changing word and lead her/him to “the water,” Jesus.

Mission Possible

by Fred Hughes:

Seems like a lot of today’s conversation centers around how much unrest everyone is experiencing – unrest about the pandemic, the government, schools, stocks, higher prices, everything! As a matter of fact, if you are not adequately stressed out for the day, watch five minutes of the evening news. That will help you arrive! I am reminded of the “Mission Impossible” series and movies. Everyone was looking for a flat-out miracle to happen!

Seems a bit odd that we look everywhere except to the God of peace and miracles for the answers we need. Hebrews 4:1 Therefore, since a promise remains of entering His rest,... Verse 2 For indeed the gospel was preached to us as well to them; but the word which they heard did not profit them, not being mixed with faith in those who heard it. Verse 3 For we who have believed do enter that rest, as He has said ...

Mission Possible - entering His rest!

We are sons and daughters of God Almighty! We were created for His rest, not the world’s stress. With that admonishment, I would like to

say that even though there is and has been much stress with our relocation and lifestyle change, we have been successfully and repeatedly entering God’s rest and peace. Our Thursday live-stream program is underway and seems to be growing an audience. We have been blessed with gifted guests, and we have been able to book months in advance. So cool!

Irene and I are super blessed to have found an exciting church we love and have already started serving there. God is good!

We are planning to start a weekly Bible study, one of several we hope, and to sponsor two conferences a year for DMI (working on the venue/dates at this time).

The ministry is believing for two things: partners who will help fund this good work and workers who will assist us with the live stream, publications and media production. Mission Possible!
