Don't Talk To God!

By Fred Hughes

Sometimes it is not the time to talk to God about an issue you are facing! Many times it is the issue, or problem, that you need to be speaking to rather than God! You have been given authority over all the power of the enemy. God therefore is not going to do what He told you and empowered you to do. Too often Christians are begging God to heal them or help them with something that seems to be tormenting or stealing from them. In Mark 11:23-24 Jesus teaches the believer to speak to the mountain, or problem, not God. It goes on to say, believe what you say when you pray. It is important that we both say and believe!

It seems that just praying to God should work, but that is not what the scripture says. If we have a disease or illness, we need to speak to the fig tree and curse it just like Jesus did. He cursed the fig tree, and it died! It died instantly, but they did not see that it died until the next day. That is why it says to say and believe. Faith is believing until you see what you say!

Talk God talk to your problems and watch them dry up from the root! Verse 24 says, "Therefore I say to you, whatever things you say/ask," not what God says or does, but what you say/ask! When you pray

(audibly), believe that you receive it, and you will have it.

Say or ask, then believe. That is simple, perhaps not easy, but simple.

Again, you have to believe what you say or ask in order for it to produce the results you want. I have and I know many who have prayed very good prayers to God about their sicknesses or problems. Some of those people have prayed aloud in great authority to the Lord. Many even promised God things they would do or give Him, if He would answer their prayers.

But that is not what this scripture says to do! It says to speak to the mountain or problem, believe what you say to the problem, and fully expect it to happen just as you have said! Also, when you pray to God expect you will have it, just as you have said!

The Word of God is the truth, but sometimes we have been taught wrongly, or we have formed our own perception of how God should do things. In doing so, we nullify what we actually want and need! Tell your problems about how big your God is. Do not tell your God how big your problems are! He already knows. Talk to those problems! Blessings!

Glory Now

by Fred Hughes

Our new Amarillo, Texas ministry location and our first “Glory Now” meeting have proven to be a good restart for Decision Ministries International! We endured a move and Covid-19 craziness, so we are re-firing, not retiring, as Ms Irene says! We are actually now in the full time ministry without a tent ministry! So we are believing God to supply our needs in the coming years and that He will supply your needs, as well.

He is the King of Kings and the Lord of Lords!

Glory Now! As we all face changes in our lives from the gas pump to the world stage, we must trust God for all we need. Understand that His Glory is Now! This is the day of salvation! Today! God has never and will never leave or forsake us! He will supply all of our needs and empower us for the great exploits we are called to do in such a time as this. We were created to live in this time frame. God is not surprised about what is going on in the world. He has a plan, and we are His Glory Now!

I will say that we need each other! Paul said we should meet together and to encourage one another as we see the day approaching!

Hebrews 10:24 And let us consider one another to provoke unto love and to good works:
