House 2 House

By Fred Hughes

Acts 2:46 So continuing daily with one accord in the temple, and breaking bread from house to house, they ate their food with gladness and simplicity of heart, praising God and having favor with all the people. And the Lord added to the church daily those who were being saved.

The key to the growth of the early church was that they gathered in the temple and house to house! The Church was meeting everyday somewhere, and they were adding people to their numbers. One Sunday service and a Wednesday night group meeting was not all that was happening. No, they were meeting every day, somewhere, at any house they could find. They were eager to experience the presence, power and purpose of the Holy Spirit moving among them.

They were simply coming together, breaking bread, talking about Jesus, listening to the apostles and seeing the amazing things they were doing - just like Jesus had done. After hearing the Good News of the gospel, they celebrated the goodness of God with gladness and thanksgiving. This brought men to repentance. Reverential fear fell on them as they witnessed many signs and wonders. Have these things passed away today, or is there some way today's church could increase in the same way? I believe we are soon to enter a new time-frame or dispensation that will cause the world

to appear vastly different than it is at this moment. As governmental, economical, and social changes or shifts occur, we will learn to live by the Spirit of God. and our lives will be significantly more powerful. When we live by the Spirit, signs and wonders will be more commonplace among the church, the *Ekklesia*.

For these things to return and benefit us, we need to meet together more often for several different reasons. It is to this point I want to offer a call to action. Irene and I are going to make ourselves available for house-to-house type visits. Let me explain my thoughts. An example would be a meeting in your home. Gather family and friends for an evening of fellowship. Fred and Irene would minister, teach, declare prophetic words over your home, family and friends with an expectancy that God will come and move among us as we honor Him together.

In time we will be developing teams that can be available to do the same as the Hugheses multiply the house-to-house ministry to every day of the week and different times of the day! Can you imagine the Kingdom increase that could result and the powerful church that would emerge?

Go or Come?

by Irene Hughes

Word of the Lord to Irene on
10/15/19:

This is where the church today is missing it. Instead of "GO," we come and sit for an hour and return home to do whatever we want to. Signs will follow believers. If there are no signs, then where are the believers? Did we just believe enough to get ourselves saved, then forgot to believe for others to be saved, healed, and delivered?

How can they call on the one they have not believed in? And how can they believe in the one they have not heard? And how can they hear without someone preaching to them? How can anyone preach unless they are sent?

We must get out of the four walls of the church and attack the enemy's strongholds

in our cities and our country. The captives are crying out for deliverance and peace. Who will hear their cries for help? Will we just pass by like the Levite and the priest who saw the man on the side of the road who was hurt? Jesus said that greater works than what He had done would we do.

Mark 16:17 NIV And these signs will accompany those who believe: In my name they will drive out demons; they will speak in new tongues; 18they will pick up snakes with their hands; and when they drink deadly poison, it will not hurt them at all; they will place their hands on sick people, and they will get well.

John 14:12 KJV Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father.

Romans 10:14-15 NIV How, then, can they call on the one they have not believed in? And how can they believe in the one of whom they have not heard? And how can they hear without someone preaching to them? How can anyone preach unless they are sent?
